PERSONAL EXPLANATION

Ms. KILPATRICK of Michigan. Madam Speaker, I was unable to attend to several votes today. Had I been present, I would have voted "aye" on final passage of H.R. 4543, "aye" on final passage of H. Res. 1103, and "aye" on final passage of H.R. 4861.

PERSONAL EXPLANATION

Mr. GUTIERREZ. Madam Speaker, I was unavoidably absent for votes in the House Chamber today. I would like the RECORD to show that, had I been present, I would have voted "yea" on rollcall votes 221, 222, and 223.

ARIZONA'S IMMIGRATION LAW

(Mr. BACA asked and was given permission to address the House for 1 minute.)

Mr. BACA. Madam Speaker, last Friday, Arizona State Governor Jan Brewer signed into law Arizona State bill 1070 which would require police officers to act on "reasonable suspicion" to determine a person's immigration status and turn them over to ICE. President Obama referred to the law as "misguided."

Forcing Federal immigration duties onto local law enforcement officers is not the right way to fix the broken immigration system. It violates the presumption of innocence granted to everyone by the Constitution of the United States.

In fact, I as a Member of Congress because of the color of my skin may be approached in Arizona and be asked for my legal documentation. They may question whether it's authentic or not authentic.

This law is unjust and will only lead to an increase in racial profiling. We must never forget that America was a nation founded by immigrants.

I call on all of us to consider a national boycott of all industries in Arizona and to wear a band on our sleeves to protest against this unjust law and to show that this is not the American way. We must not tolerate unjust laws inspired by racism and hate.

IN SUPPORT OF H.R. 2499, THE PUERTO RICO DEMOCRACY ACT

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Madam Speaker, on Wednesday, the House will consider H.R. 2499, the Puerto Rico Democracy Act. I am proud to support this bipartisan bill which would allow the residents of Puerto Rico the opportunity to voice their opinions on the status of the island's relationship to the mainland, to the United States, through a federally sanctioned plebiscite.

Nearly 4 million U.S. citizens currently reside in Puerto Rico and my congressional district in South Florida is home to nearly 20,000 American citizens of Puerto Rican descent.

Although Puerto Rico has been a U.S. territory for more than 100 years, Congress has never asked those American citizens residing in Puerto Rico to express their opinion on the territory's political status. This bill does not exclude any viable status option nor does it provide for a change in status to be automatically implemented. Instead, the bill initiates a long overdue process of consultation with the U.S. citizens of Puerto Rico.

I urge my colleagues to join me in supporting the Puerto Rico Democracy Act when it comes to a vote later this week.
